Proceedings of the Madras Government, Revenue Department,
***19th August* 1865.**

No. 315. Read the following Proceedings of the Board of Revenue, dated 2nd August 1865, No. 4,561.

Read the following letter from C. W. READE, Esq., Collector of South Arcot, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Cuddalore, 8th July 1865, No. 91 :—

SIR,

I request to be informed in reference to the Board's Miscellaneous Circular, No. LXXVIII., of the 4th July, whether the seals of every Revenue Officer from the Collector downwards are to be of the same size. It has not been so heretofore, but in the designs prepared in the Mint, and which accompanied the Board's Proceedings, all the seals including those of Deputy Collectors are uniform in size, and only varying a little in design, and this being unusual, I submit the question for the Board's consideration, although the matter be of little moment abstractedly, it is not so viewed by the natives of the country; past experience shews that importance is attached to the seal of office.

---

1. Submitted for the orders of Government with reference to provisions of the Bill for prescribing seals for Collectors and Magistrates.

2. The patterns supplied by the Mint Master will be forwarded to Government with these Proceedings.

No. 316. ORDER THEREON, 19th August 1865, No. 1,930.

Miscellaneous.

1. The Government see no objection to the same size of seal being used by all the Covenanted Officers in a District.

2. The seals of the Uncovenanted Deputy Collectors and Magistrates should be somewhat smaller in size, but larger than that of a Tahsildar.

3. The Tahsildar's seal is provided of a smaller size than those of the other Officers in the Mint Master's designs.
