Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated 10th July 1865, No. 135 :—

SIR,

The accompanying Statement gives the information called for by Government in their Order, dated 8th February 1865, No. 252. You will observe that the number of Ryots interested in the settlement of the question is thirty-seven, that toll to the amount of 484-4-8 would be collected annually on 402 animals, and Rupees 112-8-0 on bandies. Before the bridge was built, the Ryots and their animals were unable to cross the river, and it is probable that if toll is now demanded they will revert to their old practice of not moving from home whilst the freshes are in the river.

Feb 1937.

The Govt see no reason why these individuals should pay nothing for the benefit derived from the erection of the bridge at the cost of Government.

The case is rather one for a composition, and the Coll^r will propose the terms that he deems reasonable.
