No. 331. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Ootacamund, 15th August 1865, No. 1,374 :—

SIR,

1. Mr. Guiezelar, Forest Overseer in charge of the Goomsur District, was suspended by the Acting Collector of Ganjam on the 13th of February last, for insubordinate conduct; Government in their Order No. 670, of the 27th of March, confirmed this suspension, but directed that he might be transferred to some other District, but remain under suspension pending such an arrangement. In April Dr. Cleghorn, who was then Conservator, informed Mr. Guiezelar that before he could be appointed to any other District, he must come down to Madras and see the accounts of his Range correctly settled in the Central Office. Mr. Guiezelar having done this, was nominated to the charge of the Denkinacottah Sandal-wood forests (Salem District), and joined at Salem on the 12th of July. As there was a very large amount of Sandal-wood at all the out-stations in the jungles, which had never been properly weighed or brought to account, I informed Lieutenant Walker that Mr. Guiezelar should not take over final charge from Mahomed Ali, the Acting Overseer, until all this was properly weighed; this was very necessary, and Lieutenant Walker has been engaged with both Overseers on this duty, since the date of Mr. Guiezelar's arrival, and reports that it will not be completed until the 25th instant. I have the honor to request special sanction for Mr. Guiezelar to be allowed to draw his full pay as Overseer, from the date of his joining at Salem, (*i. e.*, the 12th of July,) as Overseer Mahomed Ali only draws his pay as second Overseer, viz., Rupees 60 per mensem; this will be an additional charge of Rupees 60 per mensem for the period mentioned, and not Rupees 90, which is the pay of the senior Overseer, and it can easily be met from the Budget grant for the year from savings in the Central Office Establishment.

2. Mr. Guiezelar has drawn no pay whatever since his suspension in February, and he now applies for his pay, or at least a moiety of it, for the period that he has been under suspension. I am of opinion that he should be allowed to draw a moiety of his salary for this period, or at least from the date of his arrival at Madras, from which time he may be considered to have been actually employed on official duty; and I request the orders of Government on the subject.

No. 332. ORDER THEREON, 21st August 1865, No. 1,938.

Forests, No. 7.

1. Suspension as a necessary consequence involves loss of pay.

2. The Government authorize the Conservator to pass half pay to Mr. Guiezelar from the date of his arrival at Madras to that of his joining his new station at Salem, and full pay from the latter date.
