Proceedings of the Madras Government, Revenue Department,
21st August 1865.

No. 333. Read the following Proceedings of the Board of Revenue, dated 2nd March 1865, No. 1,222.

Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Vellum, 14th February 1865, No. 44 :—

SIR,

1. With reference to the Order of Government of the 3rd instant, and also to the Proceedings of the Board under date the 10th idem, I have the honor earnestly to request that the Board will again move the Government to re-consider their Order in question.

2. The erection of a market at Tanjore has been long under consideration ; the proposal originally emanated with myself in 1862, and was concurred in by the then District Engineer Captain Oakes. It was subsequently taken up by Mr. Ballard, but owing to his having so soon left the District, nothing was done. The project was again taken up by me on my return in 1863, and was concurred in both by Colonel Foord and Captain Bean ; and in anticipation of sanction, and as there was a universal concurrence of opinion amongst the local officers, not only as to the necessity of the work, but as to its advantage in a pecuniary point of view as bringing in a certain sum annually to the Local Fund, preliminary steps have already been taken, and an admirable site for the work has been selected and obtained from H. H. Kamakshi Boye Sahiba.

3. I therefore very strongly but very respectfully urge, that the construction of so important a work should not now be summarily set aside ; only two months of the working season remain, and there is no Superintending Engineer in the division, and at this the busiest season of the year, and with the heavy losses sustained in the eastern Talooks, I submit that I really have not the time or leisure now to bring forward any well matured proposal for employing the funds in a more advantageous manner.

Submitted to Government in continuation of the Board's Proceedings, dated 6th February 1865, No. 646. Mr. Cadell should, however, at once make the proposals for employing the available funds as directed by Government.

No. 334. ORDER THEREON, 21st August 1865, No. 1,939.

Miscellaneous.

The Government await the further report called for by the Board.
