Proceedings of the Madras Government, Financial Railway Department, 7th January 1865.

Read the following papers:—

No. 26. Proceedings of Government in the Public Works Department.

Referring to the Financial Railway Department revised estimates for the construction of Chuttrums and Latrines at Palghaut, Tiroor and Beypore. (Dated 16th December 1864, No. 3611).

Referred to the Consulting Engineer for Railways, for his remarks.

FORT SAINT GEORGE,
21st December 1864.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

No. 27. From Lieutenant Colonel P. P. L. O'CONNELL, R. E, Consulting Engineer for Railways, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Madras, 22nd December 1864, No. 709.

I have the honor to acknowledge the receipt of Government Order, No. 3611 of the 16th December, with plans and estimates for Chuttrums and Latrines at Palghaut, Tiroor and Beypore, forwarded by the Superintending Engineer, 7th Division.

2. It appears to me that, in a climate like that of the Western Coast, it is absolutely necessary that verandahs should be added to buildings, such as it is proposed to construct at Palghaut and Tiroor; Chuttrums built according to the accompanying plan would afford but little shelter during heavy rains, accompanied with strong wind.

3. The Chuttrum for general travellers at Beypore is open to a similar objection; the accommodation provided is sufficient, and all that is necessary is that verandahs should be added to the building.

4. The plan for a family Chuttrum at Beypore seems suitable.

5. The Latrines are on the same plan as those constructed at the stations on the line of Railway, and are well adapted for the purposes required.

No. 28. ORDER THEREON, 7th January 1865, No. 13.
