No. 398. Miscellaneous. *Dated 23rd August* 1865, No. 1,972.

Read Proceedings of Government, dated 23rd August 1865, No. 1,971, on letter from Captain Hessey, Officiating Superintendent of Revenue Survey, nominating Lieutenants Sherman and Graham to be Assistants in the Survey Department.

1. The Government have accepted the Officiating Superintendent's nomination; but it has attracted their observation that in this and some other instances the nominees have not passed in Surveying, and they therefore desire that Captain Hessey will call on all his Assistants, who have not been more than a year in the Department, to pass in Surveying within the next six months.

2. They expect to receive from him the assurance that all those of longer standing, who have not actually passed the Examination, are still thoroughly well qualified in this respect.

3. Captain Hessey will understand that in future his field of selection must be limited to Officers or others who have passed in Surveying.

Acting Secretary to Government.

To the Officiating Superintendent of Revenue Survey.
