No. 435. Read the following Proceedings of the Board of Revenue, dated 16th August 1865, No. 4,922.

Read the following letter from the Honorable D. ARBUTHNOTT, Collector of Salem, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated 29th July 1865, No. 99 :—

SIR,

1. With reference to the Proceedings of Government, dated 29th May 1865, No. 1,119, I have the honor to report that I have examined the Pennagarum and Palcode road, and have also made inquiries regarding the traffic thereon, and am of opinion that the expenditure of Rupees 13,000 is not warranted by the circumstances of the case.

2. The traffic on this road is very small, and the road is in many parts in very bad order, although still perfectly passable for carts. The line itself is also objectionable, especially near Pennagarum, where it runs for several miles parallel with the Sogotoor and Pennagarum road, and within half a mile of it.

3. Besides this, the distance to Palcode from Pennagarum by this road is twenty miles, and it is only eight miles more by Sogotoor.

4. The Pennagarum and Sogotoor road is a direct Railway feeder, and carries a considerable traffic ; but is at present in very bad repair.

5. I recommend, that during the current Fusly, no expenditure be made on the Pennagarum and Palcode road ; but that the funds sanctioned for that line be transferred to the Pennagarum and Sogotoor road.

Submitted to Government, with reference to their Proceedings quoted by the Collector.

No. 436. ORDER THEREON, 25th August 1865, No. 1,992.

1. Communicated to the Public Works Department. The Government approve the proposed transfer of funds (local) for the repair of the Pennagaram and Sogotoor road.

2. Estimates should be called for, for the work.
