Proceedings of the Madras Government, Revenue Department, 28th August 1865.

No. 467. Read the following Proceedings of the Board of Revenue, dated 15th August 1865, No. 4,883.

Read the following letter from E. B. FOORD, Esq., Acting Collector of Ganjam, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Chetterpore, 27th July 1865, No. 1,291:—

SIR,

1. Captain Graves, the Superintendent of Sea Customs and Conservator of the Port of Munsoorcottah, having been promoted to be Master Attendant of Masulipatam, I have appointed Captain John Leonhard as his successor.

2. There being no Master Attendant at Munsoorcottah, it is indispensably necessary that the Superintendent of Sea Customs should be a person of nautical experience, which Captain Leonhard possesses, as he has commanded vessels in the coasting trade for some time.

3. He has not passed the prescribed test for the appointment, and although, judging from his manner of expressing himself, he has received a good education, he would probably find considerable difficulty in passing the examination.

4. Under the above explanation, I request that the Board will be pleased to obtain the sanction of Government for his exemption.

---

1. Submitted for the orders of Government.

2. The Board concur with the Collector in considering that it is advisable to exempt Captain Leonhard from passing the examination for the reasons stated.

No. 468. ORDER THEREON, 28th August 1865, No. 2,008.

Miscellaneous.

1. Sanctioned, as Captain Leonhard from his experience in the coasting trade must have acquired practical acquaintance with the duties of a Superintendent of Sea Customs and Conservator of Ports.

2. The Government, however, expect that he will carefully study the laws relating to Ports and Customs in India, which must guide him in the performance of his duties, and direct that the Collector will test his acquaintance with the law after three months' tenure of office, and report the result.

Acting Secretary to Government.
