No. 475. Read the following letter from H. A. BRETT, Esq., President Income Tax Commission, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 17th August 1865, No. 6 :—

SIR,

1. With reference to the Order of Government No. 1,773, dated 31st July 1865, directing the Income Tax Commissioners for the Town of Madras to reduce their Establishment to the utmost extent possible, keeping in view the disposal of arrears, I have the honor to report that the existing Establishment, as sanctioned by Government in G. O. No. 2,325, dated 26th December 1864, was framed with the utmost regard to economy, and that no further reduction could safely be made in it, before the 30th proximo, the date up to which the sanction extends.

2. The preparation of the annual report, the closing of the books, and the disposal of appeals which are now coming in for the year ending 31st July 1865, will keep this establishment fully occupied up to 30th proximo, and it will require every exertion on their part to complete the arrears by that date.

3. The only small reduction which the Commissioners can recommend is in the number of Peons at present entertained. The Commissioners propose to dispense with the services of four Peons from 1st proximo, leaving four only for the existing work of the Office.

4. The Tabular Statement called for in paragraph 2 of the Order of Government under reply, is annexed.

Tabular Statement shewing the present Establishment and reductions to be effected.
