ENCLOSURE No. 1.—List.

1. Ordered that the foregoing letter and its enclosure be submitted to Government with the Board's recommendation that the Collector be authorized to make over to the Inámdars concerned Acres 83, G. 30, A. 11 of land, assessed at Rupees 89-9-8, in exchange for Acres 83, G. 3, A. 12, assessed at Rupees 94-10-0, taken up for public roads in the District.

2. The quantity of land proposed to be given in the Nundial Talook is Acres 16, G. 25, A. 15, and not Acres 16, G. 25, A. 5, as entered in the Abstract given in the Collector's letter.

3. The Collector will be requested to have his future similar statements prepared on paper of Foolscap size agreeably to the Board's Standing Orders, dated 19th March 1865, paragraph 13, and 28th May 1855.

No. 501. ORDER THEREON, 29th August 1865, No. 2,025.

Miscellaneous.

1. The Government observe that the net Inám value of the lands occupied for public purposes is Rupees 70-3-5 after deducting the quit-rent from the assessment, and that the assessment value of that proposed to be given in exchange is Rupees 89-9-8, without any condition for payment of Jody, or Rupees 19-6-3 in excess of the existing Inám valuation.

2. As however the occupation of the land is arbitrary, the number of Inámdars concerned large, and the individual extent of land occupied very small on the average of the cases, the Government sanction the proposed exchange.

Acting Secretary to Government.
