Proceedings of the Madras Government, Revenue Department,
30th August 1865.

No. 524. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Ootacamund, 21st August 1865, No. 1,375:—

SIR,

As the Railway Company have now given up the working of the Chenat Nair forests, I propose that these forests should in future be worked by the Forest Department together with the Bolamputty, and Sholay Karray forests. These three tracts form a valuable belt of forest in which Teak and Black-wood grow to a superior size; and they will well repay the cost of conservancy and systematic working, and Teak may at any time be planted with a certainty of success. The tract lies in Lieutenant Bennet's District, and can be worked by him if Government will sanction the appointment of an Overseer. There is at present a small establishment of one Duffadar and one Peon, amounting to Rupees 16, sanctioned for Bolamputty, and I now have the honor to request sanction for the appointment of an Overseer on Rupees 80 per mensem, and four extra Peons at Rupees 6 each, making in all an increase of Rupees 104; this charge can be met for the remainder of this official year from other savings in our Budget Estimate.

No. 525. ORDER THEREON, 30th August 1865, No. 2,037.

Forests, No. 12.

The Government approve the proposed arrangement. Captain Beddome will submit the usual Tabular Statement for transmission to the Supreme Government, with the application for sanction to the increase of establishment.

(Signed) W. HUDLESTON,
Acting Secretary to Government.
