Proceedings of the Madras Government, Revenue Department, 30*th August* 1865.

No. 528. Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Coimbatore, 15th August 1865, No. 99 :—

SIR,

With reference to Proceedings of Government and their Order thereon, dated 27th November 1863, No. 2,150, I beg to state that the land claimed by the Burghers runs so irregularly along the Doddabetta Chinchona plantation, that in every point of view I deem it most desirable that it should form a part of the plantation as originally laid out by Mr. McIvor. For a long time many obstacles stood in the way of this arrangement. The Burghers would not listen to any suggestion as to an exchange of land. They have however now agreed to it, and I beg most strongly to recommend that I be allowed to carry out the exchange at once. The land which they offer to take is grass land near Marlymund, embracing a swamp, which it is of importance they should obtain for the sake of their Buffaloes. The Doddabetta plantation, as laid out originally by Mr. McIvor, will be very perfect, and it would be a pity not to carry it out in its integrity, now that it can be done with the consent of all parties interested. The number of Puttah owners holding lands contiguous to the Chinchona plantation are twelve, and the quantity of land held by them and for which they agree to take other lands in exchange is 33 Bullahs, or 126 Acres. Early orders are requested.

No. 529. ORDER THEREON, 30th August 1865, No. 2,039.
