Board's Proceedings, No. 2,038, dated 22nd April 1865.
Do. ,, 4,073, ,, 15th July ,,

Read also the following letter from A. WEDDERBURN, Esq., Collector of Tinnevelly, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Nannagaram, near Tenkasy, 28th July 1865, No. 297:—

SIR,

1. With reference to the Proceedings of the Board of Revenue, dated 15th July 1865, No. 4,073, I have the honor to state that the Inám therein referred to, stands entered in the Statement No. 1, forwarded to the Board with Mr. Bird's report, dated 18th March 1854, in No. 90 in the name of Muthukumarasamy Caverayer, son of the original grantee.

2. This Inám has now been registered by the Inám Deputy Collector in the names of Ambalavana Caverayer and Suntharamoorthia Pillay, the son and brother of the last holder, respectively. The amount of the Inám originally deducted from the Kistbundy beriz was Rupees 11-0-7. In Fusly 1266, an assignment of rent-free land amounting to one Cottah and five Mercals, and capable of yielding a revenue of Rupees 10-14-0, was made to the Inámdar agreeably to the orders of Government, dated 19th August 1854.

---

1. Resolved that the foregoing papers be submitted to Government with the Board's recommendation that the Collector of Tinnevelly be authorized to grant to the Inámdars concerned, six Mercals and one Measure of Nunjah land in the Thanbathu village in the Tinnevelly Talook of the annual value of Rupees 10-14-0, in exchange for their old Inám of one Cottah and five Mercals of Nunjah land of equal value in Sathamally village, in the same Talook.

2. The Inám in question is a religious service Inám, and was originally paid by a deduction from the Kistbundy beriz until, under the Orders of Government, dated 19th August 1854, paragraph 2, an assignment was made to the Inámdars of the assessment of certain lands equal in amount to the deduction.

3. These lands, the Inámdars now state, being Samudayem, or common property belonging to thirty persons; the collection of the assessment due on them is very troublesome and inconvenient. The Inám Commissioner has confirmed the Inám, but he has no objection to register the new lands that may be granted instead.

4. Under these circumstances, the Board see no objection to the proposed exchange. The old Inám will be incorporated with the Government lands in the event of Government sanctioning the present proposal.

No. 531. ORDER THEREON, 30th August 1865, No. 2,040.

Miscellaneous.

The exchange is sanctioned.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 22nd April 1865.

Read the following letter from G. BANBURY, Esq., Acting Collector of Tinnevelly, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Trichendoor, 25th March 1865, No. 146 :—

1. I have the honor to report the following case for the consideration and orders of the Board and Government.

2. An Inam of the value of Rupees 10-14-0, originally granted to the ancestors of the two individuals named in the margin, for the purpose of reciting verses in praise of the Deity in Cantimathy Ammen Pagoda, was, up to Fusly 1266, annually deducted from the Kistbundy Beriz, when an assignment of rent free land,* capable of yielding a revenue equal to the above sum, was made to the Inamdars agreeably to the orders of Government, dated 19th August 1854.

Ambalavana Cavirayer.
Sundramurthia Pillay.

* 1 Cottah and 5 Marcals in Suthmalli village in Tinnevelly Taluk.

3. The Inamdars now state that the lands, the assessment on which was granted as Inam, being Samudayem or common property belonging to thirty persons, they are put to great trouble and inconvenience in collecting the Inam, and they pray that in lieu of the above extent, fresh lands† in their holding, and capable of yielding a revenue equal to the grant, may be ordered to be allotted to them as Inam. I see no objection to their request being complied with, and the lands now held by them as Inam being carried to the head of Ayen.

† 6 Marcals and 1 Measure in Thenpathu village.

4. The Inam Deputy Collector, A. Narayana Row, to whom a reference was made on the subject, states that the lands now held by the Inamdars have been confirmed by him as Inam, and that if any change be effected in the locality of the Inam under the orders of Government, the Inam Commission Department will have no objection to register the new lands as Inam.

The Acting Collector is requested to submit his application in the usual Tabular form prescribed for exchange of lands in the case of Inams which have become unserviceable; but he will quote his present letter in explanation of the desired exchange. The statement will have to be submitted to Government for sanction.
