No. 616. Read the following letter from Captain A. S. MOBERLY, R. E., Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Bellary, 16th August 1865, No. 113 :—

SIR,

1. I have the honor to submit the accompanying original letter with enclosures from the Collector of Cuddapah, and request that the Controller may be authorized to pass the bills. You will observe that the compensations were paid by the Collector, and have been entered in his accounts for 1864-65 ; and under these circumstances I beg that the Controller may be directed to pass them in last year's accounts to prevent confusion.

(To be returned.)
1 Letter.
2 Bills.

2. On a reference to the Collector, I learn that the ground was taken up in both cases for excavating gravel for the Cuddapah and Bellary road ; the ground, in one case, being just outside the Cantonment, and in the other at a distance of nine miles from Cuddapah. Until these documents were received by me in the beginning of this month, I did not know that these payments had been made, or I would have given directions to make the payments by cheques.

From H. G. SMITH, Esq., Collector of Cuddapah, to Captain A. S. MOBERLY, R. E., Superintending Engineer, 3rd Division, Bellary, dated Cuddapah, 1st August 1865, No. 419.

SIR,

1. With reference to the annexed copy of a letter, dated 25th instant, from the Controller of Public Works Accounts, to my Deputy Collector, I have the honor to request that you will be so good as to take steps to have the amount* adjusted at an early date. As requested by the Controller of Public Works Accounts, two Statements of the compensation charged in the Treasury accounts for April 1865 are forwarded herewith.

* Rupees 450.

2. As the parties to whom the compensation was paid were absent from the District, the money was debited to the proper head in the Treasury account in April last, and retained in deposit and paid to them subsequently ; consequently there has been a delay in submitting the Statements as it was necessary to obtain the acknowledgment of the parties for the money paid in support of the debit in my accounts.

From Captain J. F. FISCHER, R. E., Controller of Public Works Accounts, to the Deputy Collector of Cuddapah, dated Madras, 25th July 1865.

SIR,

1. In reply to your letter No. 397 of 22nd instant, I have the honor to state that the two bills noted in the margin, cannot be passed in this Office unless the charge be included in the accounts of the Superintending Engineer, 3rd Division, and to request that you will be good enough to forward the same to him for payment.

2 Statements of compensation paid for lands, &c., for public purposes in the District of Cuddapah, charged in the Treasury account for April 1865, Rupees 450.

2. The Superintending Engineer will have to apply for sanction for an extra allotment to meet this charge, the allotment sanctioned in G. O. No. 392 of 10th February 1865, having lapsed at the end of the past official year.

No. 617. ORDER THEREON, 25th August 1865, No. 2,487.

ACCOUNT, No. 88.

The bills amounting to Rupees 450, submitted with the foregoing letter, are sanctioned. As this sum although entered in the accounts of the Collector of Cuddapah for April last, was not actually paid to the parties to whom it was due until May and June 1865, it is necessary that the transaction should appear in the books of the Public Works Department as a debit against the Public Works grant for the current official year. The Superintending Engineer of the 3rd Division will accordingly disburse the amount to the Collector from the allotment for the Cuddapah and Bellary road.
