Proceedings of the Madras Government, Revenue Department,
31st August 1865.

No. 548. *Dated* 31*st August* 1865, *No.* 2,049.

Read again Proceedings of Government, dated 28th January 1864, No. 152, Revenue Department, and 16th May 1864, No. 707, Judicial Department, deciding that Poothoor should be adopted as the Head Quarters Station for the Officer in charge of the North Arcot Zemindary Division.

Miscellaneous.

1. The Government desire to learn from the Board whether any and what further correspondence has passed on this subject, and whether any progress has been made with the office building.

2. They also desire that the selection of this station for the Head Quarters, of a charge which it is desired at no distant date to entrust to a Covenanted Officer, be re-considered by the Board, in communication with the District Officers, and reported on to the Government, as the Government have reason to believe that it is a very mistaken idea that the station is a healthy one, and that the contrary is the fact, which the growing importance of Arconum, whence four Lines of Railway radiate, and which must become a most important Central Station, indicates it as the most eligible position for a Covenanted Assistant or Deputy Collector holding the Zemindary charge, and stationed at the eastern end of the District.

3. If the Poothoor office has not been begun, it should so remain till further Orders.

Acting Secretary to Government.
