Proceedings of the Madras Government, Public Works Department, 28th August 1865.

Read the following papers :—

No. 628. From Lieutenant-Colonel G. V. WINSCOM, R. E., Superintending Engineer, 2nd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Masulipatam, 12th May 1865, No. 15.

SIR,

1. I have the honor to submit, for the sanction of Government, a revised estimate for constructing a Táluq Cutcherry at Ongole with a terraced roof amounting to Rupees 10,500, or Rupees 800 in excess of the original estimate,* sanctioned in G. O. No. 3,499, dated 30th November 1863.

Rupees 10,500 as per revised estimate now submitted.
,, 834 estimate for out-houses, sanctioned in G. O. No. 1,794, dated 21st June 1864.
Rupees 11,334 Total estimate.

* Rupees 9,700.

2. The original estimate was prepared according to the Standard Plan approved by the Board in their Proceedings No. 2,848, dated 13th May 1863, in which a tiled roof was provided for.

3. The Board having lately expressed their opinion in Proceedings No. 6,762, dated 13th October 1864, that terraced roofs would be preferable for all the Táluq Cutcherries, as provided in the Standard Plan subsequently approved by them in their Proceedings No. 583, dated 28th January 1864, I have prepared the revised estimate now submitted, and solicit the sanction of Government, should it meet with approval.

4. Application for the excess sum will be made to Government when the allotment† granted in the Budget of the current year for this work is nearly expended.

† Rupees 5,534.

MEMORANDUM.

1. The undersigned has the honor to request that the Superintending Engineer, 2nd Division, will be good enough to include in the accompanying abstract estimate, the particulars of the estimate sanctioned in G. O. No. 1,794, dated 21st June 1864, for out-offices to the Táluq Cutcherry at Ongole, and to re-submit the papers with the prescribed comparative statement in which should be entered full information regarding the cause of the differences between the original and revised estimates both as respects quantities and rates.

2. No provision for flooring appears to have been made in the revised estimate.

FORT SAINT GEORGE,
23rd May 1865.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government, P. W. D.

No. 629. From Lieutenant-Colonel G. V. WINSCOM, R. E., Superintending Engineer, 2nd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Masulipatam, 8th August 1865, No. 53.

SIR,

1. With reference to your Memorandum, dated 23rd May 1865, I have the honor to forward an abstract estimate for the Táluq Cutcherry at Ongole, including the out-offices sanctioned in G. O. No. 1,794, dated 21st June 1864, amounting in all to Rupees 11,334, also the prescribed comparative Statement explaining the cause of the differences of the several items in the original and the revised estimates as requested.

2. My letter No. 15, dated 12th May 1865, returned with your Memorandum under reference, is herewith re-transmitted.

No. 630. ORDER THEREON, 28th August 1865, No. 2,493.

CIVIL WORKS, No. 88.

No. 3,499, dated 30th November 186
,, 1,794, ,, 21st June 1864.

1. In the Orders marginally noted, sanction was given to estimates, amounting in the aggregate to Rupees 10,534, for the construction of a Táluq Cutcherry with out-houses at Ongole, in the Nellore District. These estimates provided for a tiled roof, but the Board of Revenue having since given it as their opinion that terraced roofs are preferable for Táluq Cutcherries, the Superintending Engineer submits a revised estimate for the building, amounting to Rupees 11,334, or Rupees 800 in excess of the sum sanctioned.

2. The Governor in Council sanctions the revised estimate, and will be prepared to consider any proposal which the Superintending Engineer may make for the provision of the necessary additional funds.

(True Extract.)

Colonel, R. E.,
Secretary to Government.

To the Superintending Engineer, 2nd Division, with comparative Statement.
