Proceedings of the Madras Government, Revenue Department, 1st September 1865.

No. 9. Read the following Proceedings of the Board of Revenue, dated 17th August 1865, No. 4,953.

Read again letter from the Collector of Cuddapah, dated 26th June, in Board's Proceedings, 15th July 1865, No. 4,063.

Read also the following letter from the same Officer, dated 26th July 1865, No. 93:—

1. With reference to the Board's remark that I did not, in my letter dated the 26th of June 1865, No. 76, allude to the suggestion of the Board referred to in paragraph 8 of the Government Order, dated the 11th of May 1865, No. 992, circulated with the Board's Miscellaneous Circular Order, No. LXIX., I have the honor to inform you that I did not receive the Proceedings under notice till after the despatch of my letter; but I beg now to state that I cannot entertain a Sweeper at Cuddapah to attend at the Travellers' Bungalow alone, which ought to be the case, and about whose constant absence I have frequent complaints, owing to the small wages allowed, under 6 Rupees per month, nor can I get an ordinary Cook under 7 Rupees.

2. With reference, however, to doing away with the Kalcudda and Gurramcondah Bungalows, I think it would be better to keep them up, the expenses being but small, for one year more, so as to see whether the opening of Railway to Cuddapah may not bring Sugar merchants and others to those localities.

---

1. Submitted to Government, with reference to Government Order, dated 11th May 1865, No. 992.

2. The Board recommend that salaries of Rupees 7 and 4 respectively be sanctioned for the Cook and Sweeper at the Cuddapah Bungalow, and that the Bungalow at Kalcudda and Gurrumcondah be retained for the present. The Collector has again failed to notice the proposal that the discontinued Bungalows should be made over to the District Officers.

No. 10. ORDER THEREON, 1st September 1865, No. 2,062.

Local Funds. No. 1.

1. The proposed rates of pay for the Cuddapah Bungalow Establishment are sanctioned, but the Government see no sufficient reason for retaining the Kalcudda and Gurrumcondah Bungalows. They may be made over to the District Officers if required by them.

2. The Board have not noticed the Collector's proposal on the subject of the Balapully Bungalow, but the Government deem it inadmissible. The Bungalow being no longer required for its original purpose, must be dealt with as the other.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 15th July 1865.

Read the following letter from H. G. SMITH, Esq., Collector of Cuddapah, to R. A. DALYELL, Esq, Acting Secretary to the Board of Revenue, dated Muddenpully, 26th June 1865, No. 76:—

1. Having waited to see whether Timber Merchants and others would resort to the Balapully Bungalow on the Railway being opened to Codore and Reddypully, and finding that they did not do so, I wrote to Mr. Elwin to ascertain whether the Railway Company would like to purchase the Bungalow if the Government were inclined to sell it, and that gentleman having answered me to the effect that the requirements of the Company would not justify the purchase of the Travellers' Bungalow, but if rather than the Bungalow should go to ruin, I should wish it occupied by one of the Railway Inspectors, arrangement should be made accordingly; I have the honor to suggest that it be made over to the Railway Company, and the crockery sent to Cuddapah.

2. The Civil Judge of Cuddapah wishes to transfer the Munsiff's Court at Tungatur to Nundalur when the Railway is opened to Cuddapah, and intends asking for the Travellers' Bungalow at that place, should the High Court agree to the transfer of the Court. This might be done, and then all the Bungalows between Balapulli and Cuddapah will be disposed of.

The Board observe that the Collector has not alluded to the suggestion of the Board referred to in paragraph, 8 of the Government Order under date 11th May 1865, No. 992, circulated with the Board's Miscellaneous Circular Order, No. LXIX., nor has he reported on the Gurranconda Bungalow. He is requested now to supply these omissions. The crockery and extra furniture of all Bungalows to be abolished should at once be removed to those Bungalows which are to be retained.

Submitting letter from the Acting Collector of Cuddapah and recommending that salaries of Rupees 7 and 4 be sanctioned for the cook and sweeper at the Cuddapah Bungalow, and that the Bungalows at Calcudda and Gurrumcondah be retained for the present.

The Collector is written accordingly for keeping them on the present establishment.

The Board's recommendation is approved & sanctioned.

V.K. J.G.

The cook & sweeper recommended at the Cuddapa Bungalow seem reasonable, but I fail to see the advantage of a continued outlay on the Bungalows at Calcudda and Gurrumcondah, on the chance of an influx of "Sugar merchants and others" - Those the "Sugar merchants" - who are the "others"? The Collector, in another section, says a prospect of "Lumber merchants and others" but they cannot - and he adds I abstained he will the Sugar and the 2 Bungalows cannot be considered in connection with the Cuddapah Bungalow
