No. 21. Read the following letter from the Honorable C. PELLY, Member of the Board of Revenue, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 23rd August 1865, No. 1,824 :—

SIR,

1. With reference to the Order of Government, dated 12th May 1865, No. 998, I have the honor to report that all that the Collector now wants is to increase the pay of the Gumashtas and Peons in the Sub-Magistrate's Establishment in Anjengo and Tangacherry in Malabar, to the rates of the new sanctioned scale. The Collector stated in his first letter to Government, that the new scale of Establishment had not been introduced into those two stations, in consequence of the Police not having taken charge of them. I therefore desired the Collector to communicate with the Superintendent of Police, with a view to measures being taken for the introduction of the new Police, so that the new scale of Sub-Magistrate's Establishments might be brought into operation at once in those stations; but the Collector informs me in reply that he does not consider such a step necessary at present, as the exchange of these isolated territories for somewhat similarly situated isolated State lands in Tinnevelly, is under contemplation, and that the introduction of the change is undesirable, when a few months may see the two places made over to the Travancore State. He however urges the immediate necessity of raising the pay of the Gumashtas and Peons, as the pressure of the times on the petty servants must be attended to.

To Collector of Malabar, dated 26th May 1865, No. 1,804.
From do. dated 6th June 1865, ,, 2,954.

2. The increase involved by the Collector's proposition is Rupees 24 per month, as shewn in the margin; and this appears reasonable, and is in accordance with the newly sanctioned scale; but the number of Peons now employed in the two stations is in excess of the scale by three, viz., two at Anjengo, and one at Tangacherry, and this is necessary pending the introduction of the new Police. The Collector proposed that the pay of the Peons should be increased from 4 to 5 Rupees only, but the present sanctioned rate for this class of Peons being 6 Rupees every where, I have put down that rate for these men.

	Increase.
ANJENGO.	
1 Gumashta to be raised from Rupees 7 to 12..... Rupees	5
4 Peons to be raised from Rupees 4 to 6..... ,,	8
	13
TANGACHERRY.	
1 Gumashta to be raised from Rupees 7 to 12..... Rs.	5
3 Peons to be raised from Rupees 4 to 6..... ,,	6
	11
	24

3. If the contemplated transfer of the two stations to Travancore State is likely to take place at no distant period, I request that the Government will be pleased to sanction the increase of Rupees 24 now applied for; but if otherwise I would propose the immediate introduction of the new scale of Sub-Magistrate's Establishment in its entirety, allowing also the three extra Peons beyond the sanctioned scale to be treated as a Temporary Establishment, pending the introduction of the new Police. The cost of the extra establishment would be Rupees 18. If the stations are not to be transferred to the Travancore State for some time to come,

the Inspector General of Mofussil Police might perhaps be desired to take charge of them at once. The old and sanctioned scale of Establishment is given below :—

		Old Establishment.		Sanctioned Scale.	
		Number.	Salary.	Number.	Salary.
			Rs.		Rs.
Anjengo ...	Sub-Magistrate	1	40	1	50
	Gumashta	1	7	1	12
	Dufterbund	...	...	1	7
	Peons	4	16	2	12
	Massaljee	...	...	1	5
	Total.....	6	63	6	86
Tangacherry..	Sub-Magistrate	1	35	1	50
	Gumashta	1	7	1	12
	Dufterbund	...	...	1	7
	Peons	3	12	2	12
	Massaljee	...	...	1	5
	Total...	5	54	6	86
	Grand Total...	...	117	..	172
		Increase.....			55

4. I have, however, to observe that in the event of the new scale being sanctioned and introduced in its entirety as above proposed, the Sub-Magistrates of the two stations would continue to draw the old rates of 40 and 35 Rupees respectively, until they pass the Special Test unless they be exempted from it.

5. In reference to the contemplated transfer of the two stations, I have the honor to request the orders of Government, whether the new Establishment for the two stations is to be included in my final Statement of Revenue Establishments which is about to be submitted to Government shortly.
