Proceedings of the Madras Government, Revenue Department, 4th September 1865.

No. 60. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Ootacamund, 24th August 1865, No. 1,377.

SIR,

Mr. Thompson, Sub-Assistant Conservator of the South Canara Range, has been in charge of that District since 1858, he was originally appointed as an Overseer with a very small Establishment, and was subsequently promoted to the grade of Sub-Assistant Conservator; the Department has now commenced to work all the ghát forests of the District, and Mr. Thompson has at present three Overseers under him, and a fourth will be required for the Cundapore Talook, large plantations have been commenced and the charge has become a most important one. I now, therefore, have the honor to request that Government will sanction Mr. Thompson's promotion to the rank of 3rd Class Assistant, which will raise his pay from Rupees 150 per mensem to Rupees 200. Mr. Thompson is one of my best and most active Assistants, and his conduct has always been all that could be desired, the revenue of his District (which has been upwards of 20,000 Rupees annually for the last two years) fully authorizes this increase, and the extra expense can be met from for the remainder of this official year from other savings in the Budget.
