Proceedings of the Madras Government, Revenue Department, 4th September 1865.

No. 62: Read the following Proceedings of the Madras Government in the Public Works Department:—

Passing orders on a letter from the Controller of Public Works Accounts, respecting funds for Petty Establishments employed in works executed from Local Funds. } (Here enter 30th Aug. 1865, No. 2,516.)

No. 63. ORDER THEREON, 4th September 1865, No. 2,088.

Local Funds, No. 3.

1. Communicated to the Revenue Board.

2. It will be understood that the above G. O. refers solely to those Local Fund works which are being executed by Officers of the Department Public Works, and that it directs merely a "pro forma" distribution of the sanctioned charge for those works, so as to shew the charge for "Petty Establishments" employed on them.

Proceedings of the Madras Government, Public Works Department,
30th August 1865.

No. 676. Read the following letter from Captain J. F. FISCHER, R. E., Controller of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madras, 22nd August 1865, No. 1,024 :—

SIR,

1. No separate provision having been made in the Budget of this year for Petty Establishments employed in works executed from Local Funds, I have the honor to request you will be good enough to let me know if these charges are to be passed against the one lac provided for such estimates out of the general funds.

2. The practice in former years has been to provide a per-centage in all estimates for "Sundries and Petty Establishments," the majority of the works now executing in this Presidency are on such estimates, and as bills are being submitted to this office for Establishments of this kind employed and paid for both out of the Imperial and Local Funds, I beg to suggest Superintending Engineers be called upon to furnish a Statement showing the provision made in estimates under execution for Petty Establishments with a view to these sums being added to the general allotment in the Budget for this purpose. I can see no other way for accounting for those per-centages unless they are to be exhibited as savings against the estimates.

No 677. ESTABLISHMENT, No. 89.

ORDER THEREON, 30th August 1865, No. 2,516.

1. The one lac fund provided in the Budget on account of Petty Establishments is intended to cover the charges incurred under that head in connection with works carried out from Imperial Funds, and no portion of it is available for Petty Establishments required for works to be executed from Local Funds by Officers of the Public Works Department. These establishments, in the absence of special provision, must be paid from the Budget allotment for Local Fund works. The Superintending Engineers will accordingly be requested to submit, through the Controller of Public Works Accounts, a Statement showing the sums provided for superintendence in estimates under execution from Local Funds, in order to the sanction of the Government of India being obtained for their transfer from the head of Works to that of Establishments.

2. Captain Fischer will be requested to compile from Statements which he will obtain from the Superintending Engineers, a general Return and Statement of the strength and cost of Petty Establishments to be maintained in each District for Local Fund works during the current official year.
