The undersigned has the honor to state that the situation of Salt Superintendent of Karapa Division was vacant from 15th March to 14th May 1862, and that a claim for part of the pay, of Rupees 70, on behalf of P. Sayanna, Salt Peishcar, which was submitted to the late Civil Paymaster's Office, was refused for want of special sanction of Government, as the salary of any appointment cannot be divided except upon such sanction.

Enclosure No. 1.—Petition.

1. Resolved that the foregoing papers be submitted to Government, with the Board's recommendation that Rupees 230, being the difference between the salary of the appointment of Superintendent at Karapa Salt Division, Godavery District, temporarily held by Pilut Khana Sayanna for two months, from 15th March to 15th May 1862, and the pay of his then permanent post of Peishcar at the same station at Rupees 35 per mensem may, under the circumstances reported, be passed to the acting incumbent.

2. The Board observe that similar* payments have, in several cases, been sanctioned by Government, who have, moreover, recently issued a general† ruling, with reference to the spirit of which the present application may properly be granted.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 2nd August 1865.

Read the following letter from J. FRASER, Esq., Collector of the Godavery District, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Cocanada, 30th June 1865, No. 128 :—

1. I have the honor to report on the Petition No. 3,979 of 1864, (herewith returned,) presented to the Board of Revenue by Pilutkhana Sayanna, Assistant Superintendent in the Karapa Salt Division, as follows.

2. The Petitioner then being Peishkar at Karapa, was put in charge of the Superintendent's office for two months from 15th March to 15th May 1862, when the original incumbent was recommended for pension.

3. Mr. Leggatt, the then Deputy Collector in charge of Salt Department, asked Mr. Purvis, late Collector, permission to disburse to the Petitioner part of the Superintendent's salary for these two months. Mr. Purvis accordingly sent a bill to the Civil Paymaster for Rupees 70, who rejected it stating that "this charge is inadmissible without the special sanction of Government." But Mr. Purvis did not think it necessary to recommend it to Government for sanction.

4. The present Salt Deputy Collector recommended that the full pay (300 Rupees) of the Superintendent's office for the two months the Petitioner was in charge may be paid to him after deducting 70 Rupees, at the rate of 35 Rupees per mensem, being the pay of the original post which the Petitioner then held. I have also refused his claim on the ground that the late Collector had once rejected it long ago.

5. Should the Board deem it expedient to support the Petitioner's claim, I request that they will submit his application to Government with their favorable recommendation. He certainly acted as Salt Superintendent, while he also held his permanent post of Peishkar, and has only drawn the salary of the latter office.

ENCLOSURE No. 1.—Petition.

1. The Petitioner would appear to be entitled under the rules* to the whole pay of the Salt Superintendent which the Board understand was available for the two months during which Petitioner acted for him and discharged his own duties besides.

* Government Order, No. 1,391, dated 21st June 1865, in Board's Standing Circular, No. XLVIII. of 1865.

2. Petitioner, however, having drawn the full amount of his own pay for the two months, viz., Rupees 70, can now only receive Rupees 230, being the difference between that amount and Rupees 300, the pay of the Salt Superintendent for that period.

3. Before submitting this case for the orders of Government, the Board resolve to request the Accountant General to verify the facts of it as set forth above.
