*Proceedings of the Madras Government, Public Works Department,  
16th December 1864.*

No. 360. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E.,  
Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to  
Government, Department Public Works, dated Coimbatore, 6th December 1864,  
No. 198 :—

SIR,

1. I have the honor to report that the sum of Rupees 890 for construction of the groynes  
alluded to in G. O. No. 3,452 of 2nd December,  
and for which the estimate is herewith submitted,

Enclosures 11.

may be appropriated from the allotment of Rupees 1,642, made in G. O. No. 1,941 of 4th July,  
for completion of the Kakatodoo bridge. That sum (as well as the expenditure of Rupees 1,628  
in 1863-64), is recoverable from the Mysore Department Public Works sanction alluded to in  
G. O. No. 3,354 of 22nd November; and I have applied for the same to the Chief Engineer of  
that State, at whose request the work is being completed by our agency.

2. I take this opportunity of re-submitting the plans and estimates of the Chuttrums  
themselves, referred back for revision with G. O. No. 2,932 of 12th October. Their amounts are  
as follow, viz. :—

|          |                              |     |     |     |     |     |     | Rs.   |
|----------|------------------------------|-----|-----|-----|-----|-----|-----|-------|
| 1.       | Family Choultry at Palghaut  | ... | ... | ... | ... | ... | ... | 850   |
| 2.       | Do. Tiroor...                | ... | ... | ... | ... | ... | ... | 880   |
| 3.       | Do. Beypoor                  | ... | ... | ... | ... | ... | ... | 2,880 |
| 4.       | General Choultry at Palghaut | ... | ... | ... | ... | ... | ... | 670   |
| 5.       | Do. Tiroor...                | ... | ... | ... | ... | ... | ... | 700   |
| 6.       | Do. Beypoor                  | ... | ... | ... | ... | ... | ... | 1,190 |
| 7.       | Latrines at Palghaut         | ... | ... | ... | ... | ... | ... | 450   |
| 8.       | Do. Tiroor ...               | ... | ... | ... | ... | ... | ... | 400   |
| 9.       | Do. Beypoor...               | ... | ... | ... | ... | ... | ... | 700   |
| Total... |                              |     |     |     |     |     |     | 8,720 |

3. The Latrines at Beypoor might be built at once from the balance available of the  
Kakatodoo bridge allotment of the current year, and not taken up as shown in paragraph 1.  
But I think it right to call attention to the necessity of getting up a proper establishment for the  
conservancy of all such buildings as these Chuttrums and their appurtenances, before their comple-  
tion; nothing of the kind existing at present.

No. 361. ORDER THEREON, 16th December 1864, No. 3,611.

1. The Government sanction the transfer of funds recommended in paragraph 1.
2. The estimates referred to in paragraph 2 will be referred to the Financial Railway  
Department, with reference to the orders in that Department, No. 632, dated 4th October 1864.  
The Government of India have recently ruled that Choultryes must be constructed from Local  
Funds.
