*Proceedings of the Madras Government, Revenue Department,
7th September 1865.*

No. 130. Read the following Proceedings of the Madras Government in the
Public Works Department :—

Communicating to the Collector of Cud-
dapah letter from the Consulting Engi-
neer Irrigation and Canal Company,
and desiring him to take measures for
preventing the further abstraction of
stones from the site on Pennair at
Ademapillay, where it is proposed to
erect an anicut. (Here enter 1st Sept. 1865, No. 2,549.)

No. 131. ORDER THEREON, 7th September 1865, No. 2,121.
Communicated to the Revenue Board.

Miscellaneous.

(True Extract.)

(Signed) J. GROSE,
Acting Under Secretary to Government.

To the Board of Revenue, with Proceedings Public Works Department, No. 2,549.

Erd. S. T. Augustin.

*Proceedings of the Madras Government, Public Works Department,
1st September 1865.*

No. 13. Read the following Endorsement of the Consulting Engineer for Irrigation and Canal Company, dated Madras, 25th August 1865, No. 78

Read the following letter from F. H. HENSLOWE, Esq., Agent and Manager Madras Irrigation and Canal Company, to Captain J. MULLINS, R. E., Consulting Engineer for Irrigation and Canal Company, dated Madras, 23rd August 1865, No. 271:—

SIR,

1. With reference to G. O. No. 2,431 of 21st August, and to the letter from the Acting Collector of Cuddapah attached thereto, it appears to me to be advisable to point out to you that Mr. Cockerell has somewhat misunderstood the object we had in our application to Government with regard to the quarries near Ademapillay.

2. Our object was not to obtain permission for immediate quarrying there, but to move the Government to give such orders, if practicable, as would prevent injury to the site by the unauthorized quarrying of others.

1. Endorsement to a letter No. 271, of the 23rd instant, from the Agent and Manager Madras Irrigation and Canal Company.

2. Transmitted for the consideration of Government, with reference to their Order No. 2,431 of the 21st instant.

3. As Mr. Henslowe points out, the Company does not desire immediate permission to quarry at Ademapillay, but wishes that the bed of rock, which is on the site of the proposed anicut, may be left undisturbed, so as to prevent injury to the site as regards its future use for an anicut.

4. As the Collector of Cuddapah mentions that there are no private interests to interfere with the quarrying of stone there by the Irrigation and Canal Company, there will probably be no difficulty in preserving the site in its present condition, until the intention to construct an anicut there is either carried out or abandoned.

(Signed) J. MULLINS, Captain, R. E.,
Consulting Engineer for I. & C. Company.

No. 14. ORDER THEREON, 1st September 1865, No. 2,549.

CIVIL WORKS, No. 3.

1. Communicated to the Collector of Cuddapah, who will observe that the object which the Officers of the Madras Irrigation and Canal Company had in

view in addressing Government regarding the quarrying of stone on the Pennair at Ademapillay was to prevent injury to the site selected for the anicut which it is proposed to erect at that place.

2. The Collector will accordingly take measures for preventing the further abstraction of stone from the site in question.
