1. The Board have had under their consideration the foregoing replies to the Circular Order issued by the Board in accordance with the Order of Government, dated 15th October 1863, No. 1,882, Miscellaneous Circular, No. XCV., dated 26th October 1863, No. 6,849.

directing that efforts should be used by Collectors to induce the Ryots to consent to a Neergunti Fee Cess, and to ascertain and report the wishes of the people on the subject.

2. The replies of the Collectors shew that the Ryots generally are averse to the proposed measure, and in fact that, with the exception of the District of Coimbatore, where the Neergunti Fee Cess has been introduced to a great extent, there are only eighteen villages in the District of Godavery, two hundred and thirty villages in North Arcot, and the whole of the villages in five Talooks of the Tinnevely District, in which the proposed measure would be acceptable.

3. The Board are, therefore, of opinion that at present it would be inexpedient to do more than to direct the Collectors generally not to lose sight of the question, but wherever opportunity offers for carrying out the plan successfully, to submit a distinct proposal to the Board for consideration.

4. The Collectors of Godavery, North Arcot, and Tinnevely will, without delay, mature a scheme for introducing the cess in those villages when it is, apparently, the wish of the Ryots to have it introduced and will submit their propositions in detail to the Board for final orders.

No. 153. ORDER THEREON, 7th September 1865, No. 2,132.
The Board will act as proposed in paragraphs 3 and 4.
