*Proceedings of the Madras Government, Revenue Department,
7th September 1865.*

No. 156. Read the following Proceedings of the Board of Revenue, dated 25th August 1865, No. 5,227.

Read the following letter from G. L. MORRIS, Esq., Collector of Tanjore, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Point Calimere, 27th July 1865, No. 224:—

Sir,
1. I have the honor to bring to the notice of the Board of Revenue, that Kodekarai, otherwise called Point Calimere, has not been included in the List of Ports appended to their Standing Circular, No. LXVI., Board No. 5,796 of the 6th September 1864.

2. For many years past articles as well as passengers have been landed and shipped at Point Calimere, the necessary port clearance, &c., having been executed beforehand at the port at Toputorai, distant ten miles, and peons having come there from for making the examinations connected with levying duty on goods, &c. The Acting Sub-Collector, who is now in charge of the Sea Customs, has lately issued an order forbidding this irregular mode of proceeding, and also requested me to obtain authority for including Point Calimere amongst the authorized ports.

3. Considering that this place has from time immemorial been a port of importation and exportation, and that there are now not less than forty-one Dhonies belonging to it, the owners of which will suffer very materially if matters are allowed to continue in their present condition, I beg to request that the Board will be pleased to recommend to Government to include Point Calimere in the list of authorized ports for the shipment and landing of goods, &c., under Section 10, Act VI. of 1863.

1. Ordered that the foregoing letter be submitted to Government, with the Board's recommendation that Point Calimere in Tanjore be added to the list of authorized ports for the shipment and landing of goods, annexed to the Government Order in the Revenue Department, No. 1,415, dated 8th August 1864.

2. The Collector of Tanjore omitted to include Point Calimere in the revised list of Ports forwarded to the Board with his letter dated 30th July 1863, nor does the Port in question appear in the former general list published by Government in the "Fort Saint George Gazette" of the 13th September 1844.

3. The revised general list alluded to in paragraph 1 above, does not appear to have been published as yet in the "Fort Saint George Gazette" in supercession of the previous list of 13th September 1844, referred to in paragraph 2 above, as is required by Section 10, Act VI. of 1863. The omission might now be supplied. The list was published in the District Gazette, but this, the Board presume, is not sufficient.

No. 157. ORDER THEREON, 7th September 1865, No. 2,134.

Separate Revenue, No. 10.
Customs.

1. The Governor in Council sanctions the addition of Point Calimere to the list of authorized Ports for Import and Export in the Tanjore District.

2. Under Section 10, Act VI. of 1863, the Government authorize the publication of the List of Ports sanctioned in G. O. dated 8th August 1864, with the addition of Point Calimere, in supercession of the old List dated 13th September 1844.
