*Proceedings of the Madras Government, Revenue Department,
3rd February 1865.*

No. 73. Read the following Proceedings of the Board of Revenue, dated 24th January 1865.
Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to W. HUDLE-
STON, Esq., Secretary to the Board of Revenue, Chepauk, dated Tanjore, 16th
January 1865, No. 10 :—

SIR,

1. With reference to my letter of the 7th October last, I have the honor to forward a Plan and Estimate for the market to be erected at Tanjore, and which has only now been received from the office of the Superintending Engineer.

2. The Board will observe that the estimate amounts to Rupees 12,000 or 2,000 Rupees more than estimated by me in my former letter; but I trust that looking to the advantages to be derived from a building of this kind, and especially to its being of a remunerative nature, sanction for its being proceeded with will not be withheld.

3. I take this opportunity also of requesting an early reply to my letter above alluded to, the season for working operations having already arrived, and the official year being now drawing to a close.

1. Submitted for the sanction of Government in continuation of Board's Proceedings, dated 11th January 1865, No. 151

2. The estimate amounts to Rupees 12,000, instead of Rupees 10,000, originally roughly estimated, the expenditure from Local Funds in the current year being proposed at Rupees 5,000, which amount was by an oversight stated to be the estimated cost in the Proceedings above quoted.

Early orders are requested.
