*Proceedings of the Madras Government, Revenue Department,
8th September 1865.*

No. 168. Read the following Proceedings of the Board of Revenue, dated 25th August 1865, No. 5,222.

Read the following letter from V. H. LEVINGE, Esq., Collector of Madura, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated 29th July 1865, No. 189 :—

Sir,
1. I have the honor to report, with reference to the Proceedings of the Board, dated 13th June last, No. 3,208, that the whole of the Establishment attached to the Salt Divisions of Soliagudi and Managudi can be discontinued, with the exception of the following, namely,

1 Shroff	Rupees 10
1 Measurer on	" 6
2 Vettians on Rupees 5 each	" 10
	26

2. The Shroff I wish to employ at Morekulom, where there is no servant of such description. His duties are now performed by the Clerk of the station in addition to his own, which causes some inconvenience.

3. I propose to employ one Measurer and one Vettian at Morekulom, and the other Vettian at Vettanum. The Salt Deputy Collector recommends strongly that these additional hands are required for the efficient working of the department. There are only three Vettians in each of the above salt stations, while there are four in each of the other retained stations. There is at present one Measurer attached to Morekulom, and there are two in others. I, therefore, beg the retention of the above servants as proposed.

4. The Salt Deputy recommends an addition of five Rupees to the pay of his second Clerk on fifteen Rupees per mensem. Considering that he is also required to be constantly on circuit to the salt pans with the Salt Deputy, I beg to support his recommendation.

5. The total revenue charges of the Establishment of the Managudi and Soliagudi salt stations are at present Rupees 2,976 per annum, out of which Rupees 372, being the pay of the servants proposed to be retained, and the increase suggested being deducted, there will be a saving of Rupees 2,604 per annum by the abolition of the two stations.

1. Ordered that the foregoing report be submitted to Government with reference to the concluding part of paragraph 5 of Government Order, No. 1,024, dated 16th May 1865.

2. Under the circumstances stated by the Collector, the Board would permit the retention of the servants mentioned in paragraph 1 of his letter, and the increase of five Rupees proposed to the pay of the Salt Deputy Collector's second Clerk on the abolition of the Soliagudi and Managudi stations.

3. Mr. Levinge will be requested to submit a tabular statement in the prescribed form, shewing the modifications above proposed in the Salt Establishment of his District, when he is prepared to give effect to them.
