*Proceedings of the Madras Government, Revenue Department,
4th February 1865.*

No. 83. Read the following Proceedings of the Board of Revenue, dated 16th January 1865, No. 246.

Read the following letter from G. BANBURY, Esq., Acting Collector of North Arcot, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Chittoor, 22nd November 1864, No. 313:—

With reference to the Board's Proceedings, dated 31st October last, No. 7,136, I have the honor to state that the Columbian Press has been ordered through Mr. Smith, the Government Superintendent. This reduces our available funds for the present year to Rupees 80, and we are sadly in want of Small Pica type. I tried to purchase a portion equivalent in value to our available assets; but I find a fount cannot be broken up. Messrs. Gantz & Co., however, have most obligingly stated that they will let us have a fount of the required type, paying as much as we are able this year, and discharging the remaining amount due when we are in funds again at the commencement of the next official year. The price of the fount containing lbs. 266, at Rupees 0-14-8 per lb. is Rupees 243-13-4. I trust the Board will permit me to make this arrangement, as our present Small Pica is almost illegible from constant use, and is hardly worth setting up. It was old and rejected by the Government Press Department when Mr. Bourdillon purchased it years ago.

The Board do not think it proper to purchase the fount of types in the manner suggested by the Acting Collector. As the want of these types appears to be much felt, the Board resolve to request that Government will sanction an addition of Rupees 250 for the purchase of types as a special charge, which can be met from the savings in other Districts out of the provision made for Press charges.
