My dear H. J. H. H. H.

... in the name of
have not then for the new
any appliances with which to
write in regular official style,
but please consider the nature
of the letter as official. Cattle
disease has broken out here.
Major Hankin, whom I saw yesterday,
told me that several of
the Int. Cattle at the Lawrence
Anglo-Boys have been carried
off, and I understand him to say
that there were nothing.

Mr. Pope, I was told, lost a

from New on Wednesday.

The opportunity is afforded
me for the service of a
Veterinary Surgeon, as
the disease proceeds in
the same state, returning
of Botacanda. I will
remain here on Wednesday
to leave today again.
I am sure that you will
find me in the same
position as before.

Information having
been given from the
Police Officer before that
the disease has
broken out on the hill
where that application
he made this the day
Sept 2nd 1888. The C. in C.
for the service of
Mr. Thacker & more
to the nature of the disease
on the spot. It is
not suitable work
of treating it.

It is desirable
that Mr. Thacker should
be sent to the hill
with as little delay
as possible & put
himself in communication
with the Police.
