*Proceedings of the Madras Government, Revenue Department,
14th September 1865.*

No. 299. Read the following Proceedings of the Board of Revenue, dated 31st August 1865, No. 5,339.

Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Calicut, 12th August 1865, No. 171 :—

SIR,

1. Adverting to the Board's Proceedings, dated 17th June last, covering Government Order, No. 1,263, of the 9th idem, I have the honor to state that it appears from a report from the Deputy Collector of Wynad, that, owing to the smallness of the pay hitherto allowed to the servant in charge of the Travellers' Bungalow at Manantoddy, no one could be got to take up the post since the death of the pensioned Sepoy, who had charge of the Bungalow, which occurred about

a year ago. This difficulty, however, has now been overcome by higher rates of pay having been lately sanctioned to the Bungalow Establishment.

2. The Bungalow does not at present contain the full complement of furniture usually allowed for Travellers' Bungalows, and that which it does contain is almost unserviceable from long use. I, therefore, submitted with my letter, dated 4th May last, No. 72, an estimate for a new supply, and the Board in their Proceedings, dated 16th idem, No. 2,514, stated that it would be taken into consideration when their revised Bungalow scheme is disposed of by Government.

3. The Deputy Collector now reports that instead of the two cots estimated for, four will be wanted. This will increase the cost of the furniture required from sixty-nine to ninety-three Rupees. I beg sanction accordingly.

1. Submitted to Government with reference to the Order quoted by the Collector.

2. The Board sanction the Estimate submitted with the Collector's letter, dated 4th May 1865. He should have long since replied to the Board's Miscellaneous Circular Order, dated 22nd June 1865, and should then have noticed this Estimate, and have given his views with reference to paragraph 4 of the Circular. This omission should now be supplied, and a Supplemental Estimate submitted for the additional cots required at Manantoddy.
