*Proceedings of the Madras Government, Revenue Department,

No. 89. Read the following Proceedings of the Board of Revenue, dated 24th January 1865.
Read the following letter from J. SILVER, Esq., Collector of Tinnevely, to W. HUDLE-
STON, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Tinnevely,
16th January 1865, No. 33:—

SIR,

1. Since my last report on the prospect of the season, dated the 21st ultimo, No. 473, I have the honor to report that there has been but slight and partial rain on the plains. From the rain which fell on the hills, good freshes came down the river Tambrapooray, and the crops under its irrigation are in good condition; but the crops on lands under minor rivers and rain-fed tanks in some localities have perished, and in others the land has been left waste for want of water. Large remissions will have to be granted during the settlement of the current Fusly. The Poonjah crops and Cotton cultivation in some Talooks are suffering from want of rain.

2. The price of paddy is rising, and ranges from 10½ to Rupees 12 per Cottah.

Submitted for the information of Government.

No. 90.

ORDER THEREON, 4th February 1865, No. 221.

Ordered to be recorded.
