*Proceedings of the Madras Government, Revenue Department,
16th September 1865.*

No. 351. Read the following Proceedings of the Board of Revenue, dated 7th September 1865, No. 5,520:—

Read the following letter from J. FRASER, Esq., Collector of the Godavery District, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Cocanada, 4th August 1865, No. 176.

SIR,

1. I have the honor to state, in reply to the Board's Miscellaneous Circular noted in the margin, that the District Press is so fully occupied with current work, that we cannot print Selections from the District Records.

9th May 1865, No. XXXVIII.

2. I beg to refer the Board to Mr. Purvis's letter of 12th September 1862, No. 173, to shew what has already been selected as proper to be printed. Of the whole only the first four have been already printed.

Ordered that the foregoing letter be submitted to Government, with the Board's recommendation, that permission be granted for printing the Selections in Madras. The particulars are given in the List of Selections submitted to Government, with the Board's Annual Report on District Presses for 1863-64, dated 9th January 1865, No. 84. The first four papers in the list have been already printed at the District Press.

No. 352. ORDER THEREON, 16th September 1865, No. 2,231.

Miscellaneous.

1. The Government consider that before steps are taken for printing the selected papers in Madras the Board should revise the list.

2. It is observed that the Godavery list includes several extracts of isolated paragraphs of Proceedings or Reports of the Special Commission for the Permanent Settlement, and it seems likely that although these paragraphs only may refer to the particular District, the whole Proceedings or Report may be equally deserving of being printed as having reference to other Districts besides the Godavery District, in which case it will be far better to print the whole continuously than in fragments.

3. It would be well for the Board to select from their own records any valuable papers worthy of being printed for facility of reference, and as elucidating the principles on which existing arrangements were framed.

(True Extract.)

(Signed) W. HUDLESTON,
Acting Secretary to Government.

To the Board of Revenue.
