*Proceedings of the Madras Government, Revenue Department,
18th September 1865.*

No. 359. Read the following Proceedings of the Board of Revenue, dated 4th September 1865, No. 5,446.

Read the following letter from F. LUSHINGTON, Esq., Accountant General, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Fort Saint George, 2nd August 1865, No. 1,453:—

SIR,

1. In paragraph 10, Clause 2nd of Extract from the Proceedings of the Government of India in the Financial Department, dated 20th April 1855, No. 2,189, it is ruled that, in the Treasury Accounts rendered by Collectors to the Account Department, the Collections of Land Revenue shall, in future, be credited without distinction of past, current, and future years; and that a return thereof shall be furnished by this Office to the Board of Revenue.

2. The return above alluded to will supercede the annual Fusly Statement now rendered to the Board by this Office; and the Statements of Demand, Collection, and Balance, at present furnished to this Department by Collectors, will therefore no longer be required.

3. It is accordingly my intention to instruct the Collectors not to send, in future, their Statements of Demand, Collection, and Balance to this Office; and I beg that you will inform me whether the Board would wish the new return to be furnished to them monthly or quarterly, or in any particular form. If the Board intend to prescribe a form, I shall be glad to have it forwarded to me at your earliest convenience.

4. The new returns to be so furnished will be from the commencement of the current official year 1865-66, from which date the new system of audit and account came into force. But as the first two months of the current official year will be last of the past Fusly 1274, I request that you will inform me, whether a statement for that Fusly also should be furnished, the last rendered by this office being for the preceding Fusly 1273. If the Board require the Statement for 1274, I beg to point out that the transactions of the two months in question will appear in both the old and new returns to be rendered to you.

1. The Accountant General will be informed that the return alluded to by him may be furnished to the Board in the accompanying form. It will facilitate examination if it is furnished monthly. The annual Statement of Collections hitherto rendered having been furnished for Fusly 1273, that now due for Fusly 1274 should be supplied, and the new return may be forwarded from the month of July.

2. The Board are of opinion that the annual Fusly Statements, hitherto submitted by the Accountant General, will not be necessary in future, but the Orders of Government will be requested on this point, the returns having been required by them in their Order, dated 30th September 1863, No. 1,789.

No. 360. ORDER THEREON, 18th September 1865, No. 2,235.

Miscellaneous.

The Return referred to by the Accountant General in paragraphs 1 and 2 of his letter, and approved of by the Board in paragraph 1 of the foregoing Proceedings, supercedes the necessity of submission to their Office of the Fusly annual Statements, as ruled in G. O. of 30th September 1863, and the Governor in Council directs their future discontinuance.

Acting Secretary to Government.

To the Board of Revenue.
