Taluaries. Kandan Gun- gan Guinigan of Karasamungalum, in Guriatam Talook.	Punjab, 9th class. C. A. C. 1 15 12	Rs. A. P. 5 11 4	Left waste for the last eight years in consequence of the surplus water from the calingula of the tank having washed away the soil, leaving only rock and gravel. The deterioration of the land in question has thus in no degree been occasioned by the indolence or mismanagement of the holder.	Punjab, 10th class. C. A. C. 1 15 12	Rs. A. P. 5 7 4	As the land shown in column 2 has become unprofitable, owing to causes beyond the control of the owner, the Collector begs to recommend that the land shewn in column 5, being an assessed waste, may be granted to the applicants. There is a difference between the assessment of the lands rendered useless, and the lands now applied for, of four Annas, and this difference is a decrease in the			

assessment on the latter. It arises from no other ground being available: the parties interested have given a statement before the Tahsildar, expressing their willingness to take the lands in question.

Submitted for the sanction of Government.
