To

The Right Honourable the Secretary of State
for India

The humble Memorial of Muttuvigai
Regunada Velayuthaswami, daughter
son of Muttu Ramalinga Setupathy,
the late Jeminder and son of Rama
Sami Sengathaswami, now residing
at Raminad attached to Madras
College of the Madras Presidency in
the East Indies.

Sheweth

That your humble Memorialist fully
agrees with the enclosed Proclamation of the
Government of Fort St. George declining to
comply with the application submitted
by your Memorialist regarding the sanction
for the grant of an allowance for the
per diem which is quite inadequate
to the support of your Memorialist's large
family who lead a dignified life and feeling
himself that the same is indigenous and
illiberal in consideration of what had
been paid to his father, most respectfully
having no other alternative than to throw
himself eagerly at your Honorary feet to bring
these few lines to your kind and pitiful con-
sideration and favourable order.

That while Muttuvigai's grandfather
Muttu Ramalinga Setupathy
was governing Raminad District Karaikal
Bhader.

Rhader the Governor, and Vala Sahib, the Kabab
enacted certain laws to the effect that all
the affairs connected with the State should
from the 1st March 1798 be conducted by them
and further with the intention of taking possession
of the Southern Districts unreasonably and for no
cause apprehended the above said Muttu Ram-
malunga Setupathy and sentenced him to 14
years imprisonment, while continuing the sentence
he fell sick and died on the 24th January 1809.

3 That Muttu Ram Coalaly Katchear
the daughter of the aforesaid Setupathy, and
who is the mother of your Memorialist and
her brother Pattabi Ramasamy Iyer have per-
formed his funeral rites according to the
usage of the Caste.

4 That after visiting the said Setupathy
of his possession of the Zemindary it was
entrusted to Marigaleswary Katchear in 1803.
Thinking that if his family were to be
left in her (Marigaleswary Katchear's) protection
they will be altogether overlooked, the then
Special Commissioner submitted a report
on the 5th April 1803, recommending that
the family of the said Muttu Ramalinga
Setupathy should be supported from the
income of the Salt and Sugar the manage-
ment thereof should be taken from the
Zemindar and kept under Civil Government.
The Government accordingly in their Minutes
dated 23rd April 1803 have sanctioned
the above recommendation.

5 That as long as the Salt and Sugar

remain in charge of the British Government
an monthly allowance of 2000 Rupees was
ordered to be paid to the family of the said
Setupathy and a further allowance of
100 Rupees was at the same time ordered to
be paid to your Memorialist's father also
who for many years received the same and
died subsequently in 1862.
6 That your Memorialist having then
been a minor did not put forth his
claim to 100 Rupees which his father had then
in the receipt of, when applying for it, the
Government ordered that a sum of 10 Rupees
per mensum to be paid to your Memorialist.

7 That the 10 Rupees allowance which
is sanctioned to your Memorialist, who is
entitled to inherit the Zemindary of
and the said Setupathy's moveable property
now in charge of the Government is not
only insufficient to maintain
your Memorialist's large family, but also
illiberal to the generosity of the British
Government.

8 That your Memorialist's mother
his father in law, Pattabi Ramasamy
Iyer and grand-mother on demanding
the property of the said Setupathy as well
as that of his wives subsequently taken
possession of by Government, were ordered
to recover the same by a civil action.

In which act of benevolence
your Memorialist in duty bound
shall never pray.
