*Proceedings of the Madras Government, Revenue Department,
18th September 1865.*

No. 367. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Ootacamund, 13th September 1865, No. 1,416:—

SIR,

The Collector of North Arcot applies for the services of a Gumastah for the Polur Range, on a salary of 8 Rupees per mensem, to be attached to his Talook Cutcherry for the purpose of issuing licenses, and for other forest work; he states that this is now absolutely necessary, as his Revenue Establishment has been much reduced lately. I have the honor to request the sanction of Government for the same; the Gumastah's salary for the remainder of this official year can be met from the working charges of the Cuddapah and North Arcot Range, and can be entered in the Budget for next year.

Forests, No. 11.

1. Forwarded to the Board of Revenue for report, after communication with Captain Beddome and with the Collectors of the several Districts, in which the Forest Department is working.

2. The Government do not understand why this Gumastah should be required in one Talook of North Arcot, where no such need has been experienced in any other District.
