*Proceedings of the Madras Government, Legislative Department,
8th September 1865.*

No. 3. Read the following Proceedings of Government in the Revenue Department.

Transferring a letter from the Superintendent of Stamps, bringing to notice that in the Draft Code of Civil Procedure amended by the Select Committee, the penalties proposed to be levied by Section 193 on unstamped or insufficiently stamped papers do not correspond with those provided for by Clause I, Section 15 of the Stamp Act, and directing that the Government of India be addressed on the subject.

(Dated 19th August 1865, No. 1934.)

No. 4. ORDER THEREON, 8th September 1865, No. 358.

The Governor in Council thinks it very desirable that the policy of the Stamp Act (Section 15, Act X of 1862), which provides for the imposition of a penalty, increasing according to the length of time during which a document requiring to be stamped has been allowed to remain unstamped or insufficiently stamped, should be adhered to.

2. The Governor in Council directs that a communication be addressed to the Government of India, bringing to their notice that Section 193 of the Bill "for consolidating and amending the Laws relating to the Procedure of the Courts of Civil Judicature in British India" conflicts with Section 15 of Act X of 1862 (Stamp Act), and is not in harmony with it, as the Select Committee on the Bill seem to desire that it should be.
