*Proceedings of the Madras Government, Revenue Department,
20th September 1865.*

No. 424. Read the following Proceedings of the Board of Revenue, dated 11th September 1865, No. 5,608.

Read the following letter from E. G. R. FANE, Esq., Collector of Madras, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 2nd September 1865, No. 274 :—

Sir,

With reference to my letter to the Board, dated the 10th April last, No. 96, I have the honor to request you will be good enough to obtain the decision of Government at an early date, as, since referring the question of the mode of preferring claims to landed property attached under the orders of a District Moonsiff, I have received several references from the Tahsildars on the same subject, which I have not been able to dispose of, owing to the non-receipt of the final orders of Government. If the lands are sold, and the sale proceeds once paid to Judgment creditors, there is but little chance of the Government revenue being afterwards recovered.

Submitted to Government with reference to the Government Order under date 22nd June 1865, No. 1,397.

No. 425. ORDER THEREON, 20th September 1865, No. 2,267.

Miscellaneous.

1. The attention of the Government Pleader will be requested to the reference made to him on the subject in G. O. dated 22nd June 1865, No. 1,397, to which an early reply is desired.
2. Meanwhile the Collector is at liberty to employ a Vakil when necessary; to assert the Government claims.
3. The Government have already expressed their opinion that the transfer of land by sale under a Decree of Court in no way relieves the land from the liability to be attached and sold on account of outstanding arrears of revenue. This claim has by law priority over all others, and the purchaser of the land buys it subject to the risk of its being enforced against himself, unless he satisfy it by payment of the arrear.

Acting Secretary to Government.

To the Government Pleader,
the Board of Revenue.
