*Proceedings of the Madras Government Revenue Department,
21st September 1865.*

No. 436. Read the following Proceedings of the Board of Revenue, dated 13th September 1865, No. 5,672.

Read the following letter from J. FRASER, Esq., Collector of the Godavery District, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Cocanada, 12th August 1865, No. 178:—

SIR,

1. I have the honor to state that the Acting Head Assistant Collector having proposed certain repairs to the Choultry at Peddapoor, Mr. Chase, Sub-Collector, then in charge of the District, called upon the Superintending Engineer to furnish an estimate of the cost for executing the necessary repairs to it; accordingly, an estimate (herewith sent, to be returned) has been received, amounting to Rupees 2,606.

2. The funds remaining in hand in favor of this Choultry, as well as that of Vontimamidi, are Rupees 7,266. The accounts of the two have been for many years amalgamated. The monthly expenditure on account of feeding travellers, and wages of servants, &c., for both, is Rupees 180. I request the permission of the Board for incurring the proposed outlay of Rupees 2,606, for repairing the Choultry in question.

ENCLOSURE No. 1.—Estimate.

The sanction of Government will be requested to the estimate. With the Government permission, the Board will apply the same rules to works executed from endowment funds as are now in force in regard to other Local Funds. The Collector should be careful to keep the accounts of each endowment separate under the general head of Endowment Fund.

No. 437. ORDER THEREON, 21st September 1865, No. 2,273.

Miscellaneous.

The Board being vested by law with the administration of charitable endowments, are competent to sanction this expenditure without reference to Government.
