*Proceedings of the Madras Government, Revenue Department,
22nd September 1865.*

No. 448. Read the following letter from Reverend JOHN GRIFFITHS, Senior Chaplain, on leave, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Madras, 15th September 1865:—

SIR,

1. Having applied to the Magistrate of Ootacamund for copies of certain documents, required to explain to the Board of Revenue my right to the possession of a plot of ground and a water-course on the Neilgherries, I was officially informed that no copies could be given without the sanction of Government. I therefore beg the favor of your obtaining for me order of Government for the object in view.

The documents to be referred to are, correspondence between Captain Cotton, District Engineer, Coimbatore, and Mr. Principal Collector Wroughton, 1845-46, touching a right of way through a garden of one Mr. Rieley.

2. Correspondence between Major Hall, Commandant at Ootacamund, and Captain Cotton, about the construction of a road and water-course to the Public Offices and Bazaar, designed by me in 1845.

3. Correspondence between Mr. A. Lowry, Ootacamund, and Major Babington, touching the right to a water-course to Gregory Cottage, Mr. Lowry's property, and Major Babington's decision thereon. Access to the old Map of Ootacamund, authenticated by the Board of Revenue, dated 1833, with permission to take copy of certain portions, to shew existing paths and houses.

No. 449. ORDER THEREON, 22nd September 1865, No. 2,279.

Miscellaneous.

The Government authorize the Collector of Coimbatore to comply with Mr. Griffiths' request.
