*Proceedings of the Madras Government, Revenue Department,
4th February 1865.*

No. 101. Read the following Proceedings of the Board of Revenue, dated 25th January 1865.
Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to W. HUDLE-
STON, Esq., Secretary to the Board of Revenue, dated Chepauk, Tanjore, 16th January
1865, No. 11 :—

SIR,

1. I have the honor to address the Board on the subject of the Salt manufacture of this
District for the current year 1865.

To Board 6th February 1864, No. 29,
From do. 2nd March.
From do. 14th do.

2. On referring to the correspondence
marginally noted, it will be seen that in the
past year and for reasons therein stated, I asked
and obtained the sanction of Government for

raising the rate of Kudivaram at the following stations :—

	AS.	P.	
Negapatam	2	0	per Indian Maund.
Kovilput	1	9	do.
Chendrapudi and Nudavasal	1	7	do.

3. The season, on the whole, was very unfavorable to the manufacture ; but at the same
time this was pushed on with vigor, and the annexed statement, shewing the out-turn of Salt
respectively at these stations in the past and preceding years, will shew that the effect of raising
the rate paid for the manufacture has been successful :—

	Manufacture.	1863.	1864.
Negapatam	633	1,830	
Kovilput	12	69½	
Nudavasal	95	995	

4. The Board are aware that the present season is far from being a favorable one, and the
prices of grain and of all the necessaries of life have, of late, again risen to an enormous extent,
adverting also to the fact that our stock of salt is very low and far below the standard at which
it has been directed to be maintained, I am not of opinion that the rate of Kudivaram can with
safety be diminished, at least this season ; I beg therefore to request sanction for the same rates
being paid as in last year.

5. I am happy to be able to add that our sales are very brisk, and the returns, for the past
six months, or for the first half of the present Fusly, exhibit an increase of no less than Rupees
79,770 over the corresponding period for the past Fusly.

6. I beg to be favored with early instructions in the matter.

Submitted for the sanction of Government for this season only.
