*Proceedings of the Madras Government, Revenue Department,
22nd September 1865.*

No. 457. Read the following Proceedings of the Board of Revenue, dated 12th September 1865, No. 5,638.

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated 30th August 1865, No. 202 :—

SIR,

1. I have the honor to submit, for the Board's consideration, copy of a letter, No. 502-88, dated 26th August 1865, from my Special Assistant, Mr. Rundall, requesting that application may be made on behalf of the two individuals named in the margin, to be exempted from the examination rules under the circumstance explained by him.

Bhattiprolu Latchminarayana.
Achanta Kondaya.

2. Fully agreeing with Mr. Rundall as to the special qualifications requisite in a classifier, and that passed candidates, unless they have qualified themselves in the operations of the Department, are not suited for the exceptional duties to be performed, I have the honor to recommend that the Board will be pleased to obtain the authority of Government for exempting the above-named classifiers from passing the service test so long as they may be employed in the Special Department in which they have been entertained, and thus secure to them the posts to which they now stand appointed.

ENCLOSURE No. 1.

From C. RUNDALL, Esq., Special Assistant Collector, to J. W. B. DYKES, Esq., Collector of Nellore, dated 26th August 1865, No. 502-8.

1. The Notification of Government, dated the 9th October 1860, precludes, except under certain fixed conditions, the entertainment or appointment of any person to any office, the salary of which may exceed Rupees 25, and in their Order of the 4th August 1862, No. 1,653, Government declined to continue any exemption in respect to the conditions laid down to the Survey and Settlement Departments.

2. The Order then affected but a few of the higher posts in the Department, and no inconvenience resulted therefrom. But under the new organization, the greater number of offices by far come within the restrictions imposed by the Notification, the lowest post on the field establishment being Rupees 25. I now find that of the persons recommended and entertained on the field establishment in the classifiers' posts, the fixed salary of which is Rupees 30, there are two persons,

Bhattiprolu Latchminarayana;
Achanta Kondaya (acting only).

marginally specified, who have not served the time required to entitle them to exemption, and who similarly have not passed the requisite

examination. At present, however, they are only drawing Rupees 25, but as I read the Order of Government it has reference to the post for which the salary may be fixed, and not the amount that may be drawn; and, therefore, in certifying as I did at the foot of the Pay Abstract of the past month, I inadvertently committed a mistake, which I now endeavour to rectify.

3. I have the honor to request that application may be made for the exemption of the individuals specified from the examination rules, so that they may be enabled to hold the posts to which at present they stand appointed. It is needless for me to refer to the qualifications requisite in a classifier, and to the fact that whilst men of experience in the work are wanted, and are available, passed candidates, unless they have qualified themselves in the operation, are not suited for the exceptional duties to be performed.

*Proceedings of the Madras Government, Revenue Department,
22nd September 1865.*

1. The foregoing application will be submitted for the favorable consideration of Government.

2. The Board observe that the matter should have been brought forward by Mr. Dykes himself. The Board have, on more than one occasion, pointed out to him that Mr. Rundall is not the Head of the Settlement Department in the Nellore District, but simply Mr. Dykes's Personal Assistant in that Department.
