*Proceedings of the Madras Government, Revenue Department,
23rd September 1865.*

No. 480.

Read the following papers:—

From C. CAMASWER ROW, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Masulipatam, 2nd August 1865.

SIR,

1. I respectfully beg leave to represent that I am a merchant of the town of Masulipatam, and dealing in Salt transaction to a large extent in every year, but unfortunately I lost in Salt about 6,000 in late cyclone at our station. When His Excellency came to Addunky accompanying by Mr. Sim, I paid my respects at Cottapatam to His Excellency when embarking; I have represented this circumstance too, after requesting about the improvement of our town. I am a person here labouring for the good of public since the cyclone, and serving for the good of people. The enormous loss I sustained in all my transactions during the cyclone will be to an amount of Rupees 20,000, unless I am assisted by Government, I cannot stand up even to some extent. As our Collector, Mr. Thornhill, being aware of my circumstances, he brought my poor and distressed case into your favorable notice through the Board of Revenue, but not yet favored with a favorable order.

2. As this will be great encouragement to the Salt dealers, and also will be great charity, I beseech your Honor to be kind enough to pass the request made by the Collector in regard of me.

Depending on your valuable support.
