*Proceedings of the Madras Government, Revenue Department,
6th February 1865.*

No. 107. Read the following letter from E. H. LUSHINGTON, Esq., Secretary to the Government of India, (Financial Department), to the Chief Secretary to the Government of Madras, dated Fort William, the 21st December 1864, No. 3,966 :—

SIR,

In reply to your letter No. 2,025, dated the 3rd November 1864, I am desired to inform you that the Governor General in Council considers that the Government of Madras has clearly pointed out the inconsistency in the Calcutta Civil Paymaster's Report, dated 27th October 1859, in respect to his interpretation of the Rule regulating the transit pay of Uncovenanted Servants when transferred from one appointment to another ; but His Excellency in Council observes that even had the Civil Paymaster's interpretation been correct, the Rule passed in Financial Resolution, No. 3,733, dated the 14th August 1863, places beyond doubt the title of public servants, whether receiving more or less than Rupees 100 per mensem, to pay, in transit, for the prescribed period, when transferred from one situation to another, on the public service, and any further orders on the subject from the Government of India are unnecessary.

No. 108.

ORDER THEREON, 6th February 1865, No. 230.

Miscellaneous.

Ordered that the above letter be communicated to the several Departments of the Secretariat, with a copy of the letter to the Government of India, dated 3rd November 1864, No. 2,025, and that the following Notification be published in the Gazette :—

“ NOTIFICATION.

“ It is hereby notified under instructions from the Government of India, that Uncovenanted Civil Servants of all grades, when transferred from one appointment to another, on the public service, are entitled during transit to the pay of the substantive appointment from which they are transferred, provided they join their new appointment, within the prescribed period.”
