*Proceedings of the Madras Government, Revenue Department,
28th September 1865.*

No. 575. Read the following Proceedings of the Board of Revenue, dated 12th September 1865, No. 5,633.

Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated 30th August 1865, No. 180 :—

SIR,

1. I have received the Proceedings of the Madras Government and their Order thereon, No. 1,937, dated 21st instant, communicated in the Board's Order of the 25th.

2. It is calculated that for three months, or ninety days per annum, the freshes exist, and render the use of the bridges necessary. This at four pice per head for each bullock gives Rupees 1-14-0. A Ryot might, I think, be allowed to compound at the rate of Rupees 1-8-0 for each full grown animal, calves and animals under one year being allowed to cross gratis. Parties not wishing to take advantage of the privilege of compounding would of course have to pay the usual rates.

Submitted to Government with reference to the Order quoted by the Collector. The Board doubt whether many Ryots will be found to take advantage of the proposed composition.

No. 576. ORDER THEREON, 28th September 1865, No. 2,340.

Local Funds, No. 23.
Civil Works.

The proposed rate of composition is sanctioned as proposed by the Collector.
