Read the following papers :—

No. 583. From Captain J. G. RYVES, R. E., Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Waltair, 4th September 1865, No. 837.

SIR,

Enclosures two.

1. With reference to G. O. No. 2,320 of 11th ultimo, I have the honor to report that the late District Engineer's Office at Chatterpore is available for conversion into a public Bungalow.

2. In the event of the necessary orders for converting the said Office into a public Bungalow being given, I request that the enclosed plan and estimate* for the necessary alterations and additions, the sanction for which was withheld in G. O. No. 228 of 21st January 1864, may be sanctioned.

3. I cannot at present point out any source from which the estimated cost, viz., Rupees 250, can be met, but perhaps may be able to do so at some later period of the year.

Referred to the Revenue Department, with reference to the Orders in that Department No. 1,801, dated 3rd August 1865.

No. 584. Proceedings of the Board of Revenue, dated 13th September 1865, No. 5,684.

Read the following letter from E. B. FOORD, Esq., Acting Collector of Ganjam, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Chatterpore, 29th August 1865, No. 1,613.

SIR,

1. With reference to paragraph 1 of the Order of Government of the 3rd instant, No. 1,801, communicated through the Board of Revenue, I have the honor to forward* copy of a letter from the Executive Engineer, reporting that the building that had been intended for an Engineer's Office at Chatterpore, is available for a Travellers' Bungalow, and that the charges for converting it into such, will amount to Rupees 165. This charge might be met from the funds recommended in my letter of this date, No. 1,612, to be transferred to the head of "Bungalow Repairs."

2. The charge for renting a Bungalow at Berhampore, will have to be defrayed from the amount (Rupees 20) saved, by the transfer of the Acting Principal Assistant's Office at Chicacole, from a rented building to what was before the Court House; but, as a sum of Rupees 3-8-0 per mensem, will have to be paid as ground rent for this latter building, the rent of a Travellers' Bungalow at Berhampore must be limited to Rupees 16-8-0, instead of Rupees 20, as originally suggested.

Proceedings of the Madras Government, Revenue Department,
28th September 1865.

From Captain C. G. PHILLIPS, Executive Engineer, to E. B. FOORD, Esq., Acting Collector of Ganjam, dated Berhampore, 24th August 1865, No. 73.

1. In acknowledging your Memorandum, without number or date, forwarding Government Order No. 1,801 of 3rd instant, I have the honor to state, that the Engineer's Office at Chatterpore is available for conversion into a public Bungalow, as far as I am concerned; as it has never yet been used, owing to the abolishment of "District Engineers."

2. The estimate for converting the Office into a Bungalow, with bath-room, cook-room, and necessary, new doors, &c., amounted to Rupees 165, and was forwarded by me on the 10th October 1863.

(Signed) E. B. FOORD,
Acting Collector.

Submitted to Government, with reference to the Order quoted by the Acting Collector. In their Proceedings, dated 5th January 1865, the Board have already recommended that a special grant should be applied for the repair of Bungalows. The charge for rent may be met from the Bungalow Fund.

In the Executive Engineer's letter of 24th August last, No. 73, to the Collector, recorded in the foregoing Proceedings of the Board, the estimate for converting the Engineer's Office into a Public Bungalow at Chatterpore amounts to Rupees 165; whereas in an estimate dated 8th January 1864, furnished by the Superintending Engineer with his letter of 4th September 1865, No. 837, through the Public Works Department, the cost for the same purpose was put down at Rupees 250.
