*Proceedings of the Madras Government, Public Works Department,
25th September 1865.*

No. 596. Read the following Proceedings of the Board of Revenue, dated 13th September 1865, No. 5,681 :—

Read the following letter from E. B. FOORD, Esq., Acting Collector of Ganjam, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Chetterpore, 29th August 1865, No. 1,612.

SIR,

1. I have the honor to request you to bring to the Board's notice the insufficiency of the funds allotted this year on account of Bungalows; a sum of only Rupees 150 being available for this purpose, which sum I have requested the Superintending Engineer to appropriate to the repairs of the Casseboogah Bungalow, the estimated repairs of which alone amount to that sum.

2. Captain Philipps, however, in his letter of the 24th instant, No. 74, (a copy of which is annexed,) urges upon me the necessity of having the Ingelly and other Bungalows repaired in this year, as otherwise, there is every likelihood of some of them falling to ruin during the next twelve months; I have, therefore, with reference to my letter to the Board of this date, No. 1,614, to request the Board to obtain the sanction of Government for the transfer of the grant of Rupees 1,000 alluded to therein, to the repairs of the Bungalows of this District, the estimated amount for which is Rupees 978, and which has already been sanctioned; but the repairs are kept in abeyance for want of funds.

From Captain C. G. PHILIPPS, Executive Engineer, to E. B. FOORD, Esq., Acting Collector of Ganjam, dated 24th August 1865, No. 74.

1. In reply to your letter, No. 1,551, dated 22nd instant, I have the honor to state, that the estimate for the repairs of the Ingelly Bungalow was forwarded to the Superintending Engineer some days ago, with a request that he would endeavour to find funds for the work. If a special grant, beyond the Rupees 150 referred to, is not forthcoming, several Bungalows will be in ruins in the course of the next twelve month.

2. I fully expect the portion of the roof facing the east at Ingelly to slip off during the present rains.

(True Copy.)

(Signed) E. B. FOORD,
Acting Collector.

The foregoing letter will be submitted for the orders of Government in the Department Public Works. It would seem to be advisable to apply for a special additional grant for the repairs of the Bungalow rather than allow valuable Government property to fall completely out of repairs.

(True Copies and Extract.)

(Signed) R. A. DALYELL,
Acting Secretary.

No. 597. ORDER THEREON, 25th September 1865, No. 2,835.

CIVIL WORKS, No. 78.

1. The annual expenditure on the construction and repair of Travellers' Bungalows in this Presidency has been restricted to Rupees 11,230.

*Proceedings of the Madras Government, Public Works Department,
25th September 1865.*

2. Of this amount, the sum which has been already authorized to be expended

A further grant of Rupees 4,060 has been separately sanctioned for the Bungalow at Coimbatore.

on *construction* is Rupees 7,449,* as shown below, leaving a balance of Rupees 3,781, or Rupees 472½ for each Division, to meet charges for absolutely necessary repairs.

1. Travellers' Bungalow at Coimbatore ...	RS. 7,000
2. Do. at Gúdúr ...	375
3. Stables of do. at Manantoddy ...	74
	7,449

3. Representations have been made by more than one of the Superintending Engineers that the sum to which repairs of Travellers' Bungalows in their respective Divisions has been restricted is considerably below what is indispensably necessary for present requirements; and the Proceedings of the Board of Revenue above recorded show that this is the case as respects the 1st Division.

4. The Government consider that the Travellers' Bungalow at Coimbatore, on which a sum of no less than Rupees 7,000 was authorized to be expended in the orders marginally noted, should be treated as a work of an exceptional character, and that the outlay thereon, whatever it may be, should be regarded as wholly independent of the limit to which expenditure on repairs and *minor works of construction* has been restricted by the Government of India.

No. 1,868, 4th July 1865.

5. If under this view the sum of Rupees 7,000 above mentioned be excluded from the calculation, the limit of expenditure on *repairs* to Public Bungalows will be increased from Rupees 3,781 to Rupees 10,781 as follows:—

Total authorized expenditure ...	RS. 11,230
<i>Deduct for New Works.</i>	
Items 2 and 3, entered at the foot of paragraph 2, above...	449

Balance for Repairs ... 10,781

6. In anticipation of the sanction of the Government of India, the Governor

* Rupees 1,347½.

in Council grants authority for one-eighth* of this amount being expended on necessary repairs to Bungalows in each Division. It will rest with the Superintending Engineers to submit proposals for the provision of the necessary funds by transfers from existing repair allotments.

Ordered that the following letter be sent:—
