*Proceedings of the Madras Government, Revenue Department,
29th September 1865.*

Read again Proceedings of Government, dated 24th August 1865, No. 1,976, Revenue Department.

No. 618. Read also the following letter from P. GRANT, Esq., Collector of Coimbatore, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Coimbatore, 16th September 1865, No. 119:—

SIR,

1. With reference to the Proceedings of the Madras Government, Revenue Department, and their Order thereon, dated 24th August 1865, No. 1,976, I beg to forward a copy of the Notice which it is proposed to issue regarding lands to be granted for the planting of firewood and timber.

2. The terms on which lands are proposed to be given are few and simple, but sufficient, it seems, for the prevention of their abuse.

3. I shall be glad to know whether parties are to be allowed to avail themselves of these terms in the case of land for Chinchona cultivation. Waste lands suited for the growth of Australian trees will no doubt prove to be equally suited for Chinchonas; the latter perhaps will require a good deal more cultivation than the former, but with the stimulus of a remission of assessment for seven years, this will be readily given. The decision of this question is asked as, on the promulgation of the Notice, it will be one of the first asked. The refuse barked wood on a Chinchona plantation will afford good fuel, and the older the plantation becomes, the larger the size of the fuel will be.

No. 619. ORDER THEREON, 29th September 1865, No. 2,361.

Land Revenue.

1. On re-consideration of this application to extend the Tope Rules to the Neilgherries, the Government see reason to anticipate much inconvenience from their clashing with the Rules under which land for Tea, Coffee, and Chinchona planting is granted.

2. It does not appear probable that the existing Rules can at all check planting for firewood if likely to be remunerative, and the Government therefore resolve to rescind their Order of 24th August last, and to restore matters to their former footing.

(True Extract.)

(Signed) W. HUDLESTON,
Acting Secretary to Government.

To the Board of Revenue.
