*Proceedings of the Madras Government, Revenue Department,
4th October 1865.*

No. 63. Read the following Proceedings of the Board of Revenue, dated 25th September 1865, No. 5,982.

Read the following letter from T. A. N. CHASE, Esq., Acting Collector of the Kistna District, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Masulipatam, 9th September 1865, No. 157 :—

SIR,

1. With reference to paragraph 4 of the Board's Proceedings, dated 14th February last, No. 872, I have the honor to submit herewith a Statement, shewing the amount of remission sanctioned in the Order of Government, dated 4th March 1865, No. 470, and that actually granted to each Government Talook, proprietary estate, &c., affected by the late cyclone.

2. The Board will observe from the Statement, that only in the Gudivada Talook the remission granted was in excess of the amount sanctioned by Rupees 7,474-12-5. This was found necessary, as the loss in the inundated villages was found to be greater than was originally anticipated. But in all the other Government Talooks, the remissions granted were below the estimate, the net decrease being Rupees 56,094-11-1.

3. The reductions made in the Peishcush of the proprietary estates and villages are so small that they call for no special remarks.

4. In the case of Inám lands and villages, the amount of quit-rent remitted was much below the estimate, as it was found that in many cases, such as those lands which yield Punjab crops, the produce had been collected prior to November, and in others that though the lands had been inundated, they were not entirely without an out-turn.
