*Proceedings of the Madras Government, Revenue Department,
6th January 1865.*

No. 58. Read the following Proceedings of the Board of Revenue, dated 12th December 1864, No. 7,945.

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 25th November 1864, No. 377:—

1. I have the honor to acknowledge the receipt of the Board's Proceedings No. 7,383, dated 12th instant, Miscellaneous Circular No. CXV, and state that the amount ordered by the Acting Accountant General* to be deducted in this District from the "District Road Fund" on account of "Salaries of Public Works Officers," &c., for 1863-64, was Rupees 7,000, which, reduced from 18½ to 10 per cent., in accordance with the orders communicated with the Proceedings under acknowledgment, would be Rupees 3,733, and sets free in this District, in the current year, a sum of Rupees 3,267.

* Notification No. 110, dated 10th May 1864, Vide page 951 of "Fort Saint George Gazette" of that date.

2. The amount thus released, I would devote to the road from "Someswaram to Nellore" by Podalakuru with branch from latter place "to Trunk Road No. 6, north of Manubole," for which line an allotment† of Rupees 3,000 has been made in the Budget for the current year.

† Vide Work No. 25 in the Budget of Local Funds for 1864-65.

3. I enclose, for the information of the Board, copy of a letter addressed by me this day to the Superintending Engineer, and take the opportunity of submitting my Local Fund Budget for 1865-66 in the forms received with the Board's Miscellaneous Circular No. CVIII, dated 27th October 1864.

ENCLOSURE No. 1.

From J. W. B. DYKES, Esq., Collector of Nellore, to Lieutenant-Colonel J. C. ANDERSON, R. E., Superintending Engineer, 2nd Division, dated 25th November 1864, No. 321.

1. I have the honor to enclose copy of Miscellaneous Circular No. CXV, dated 12th instant, from the Board of Revenue, and inform you that by the reduction in the per-centage for superintendence, to be deducted for the expenditure of 1863-64, a sum of Rupees 3,267 will be set free in this District for expenditure in the current year.

2. I am anxious to devote this sum to the road from "Someswaram to Nellore by Podalakuru, and branch from the latter place to Trunk Road No. 6, north of Manubole," as this is the direct line for the stores of the Irrigation and Canal Company passing to and from Someswaram, &c., and I am desirous of opening out the country in that direction. At present there is a line made for part of the way to Podalakuru from Nellore, (originally intended to be the Nellore and Toderu road,) but this line has never been used as yet. I suppose it was originally intended to bridge the Nellore supply channel. Nothing having however been done, the break so formed has completely stopped traffic. Ramps are required to the sides of the channel which it was probably originally intended to bridge, and thus we may at once open out so much of this line as is now made.

3. As regards clearing the jungle, leveling, &c., such like minor works requiring no professional skill, I propose carrying out myself, with the aid of the village authorities; and if you will kindly have the line to Podalakuru marked out, I will set to work at it at once.

4. I also enclose copies of my Local Funds Budget for 1865-66, and as the original works entered in Part I. are all taken from those for which grants are provided in the current year, I trust no inconvenience will arise by my not having conformed to Rule VIII of the Rules for the administration of the District Road Fund, viz., that not later than September of each year, you should be furnished with a list of works selected for the following year's Budget with a view to the requisite plans and estimates being got ready in time by your Department.

(True Copy.)

(Signed) J. W. B. DYKES, Collector.

*Proceedings of the Madras Government, Revenue Department,

Submitted for the sanction of Government. The District Budget for 1865-66 will be embodied in the General Statement for all the Districts.
